

MEENA KUMARI R

Computer Science Engineering Student

 meenakumari14340@gmail.com  +91 94879 84117  Kanyakumari, Tamil Nadu

 LinkedIn.com  GitHub.com

PROFESSIONAL SUMMARY

Computer Science Engineering student with hands-on experience across four internships in full-stack development (MERN, Python), web development, and data analytics (IBM Cognos). Proficient in HTML, CSS, JavaScript, Python, Node.js, React, and MySQL. Seeking opportunities in software development, QA, or testing domains.

EDUCATION

B.E. Computer Science Engineering

2023 – Present

C.S.I Institute of Technology, Thovalai 

CGPA: 8.23

INTERNSHIP EXPERIENCE

Python FullStack Intern

Agile Tribers, Nagercoil. 06/2026-07/2026

- Completed hands-on training in Python full-stack development, covering frontend, backend, and database technologies alongside modern development tools and workflows.

Adroit Technologies Innovative Solutions

IBM Cognos Analytics Intern. 03/2026-04/2026

- Built interactive reports and dashboards in IBM Cognos Analytics to support data-driven decision-making, working with data visualization and analytics best practices.

MERN Stack Development Intern

Srishti Innovative Educational Services, Trivandrum. 06/2025-07/2025

- Developed full-stack web application modules using MongoDB, Express.js, React, and Node.js.
- Designed and integrated REST API endpoints with a React frontend to enable dynamic data flow between client and server.

Web Development Intern

E-MAX Education, Marthandam. 02/2025-03/2025

- Built responsive, user-friendly web pages using HTML, CSS, and JavaScript.
- Translated static design layouts into functional, cross-browser-compatible interfaces.

ACADEMIC PROJECT

Veloura Estate – Luxury Real Estate Website

- Built a responsive real estate frontend with HTML, CSS, and JavaScript, including Home, About, Properties, Property Details, Services, Wishlist, Book Visit, and Contact pages for a complete property-browsing experience.

Interactive Quiz App

- Developed a responsive quiz application with HTML, CSS, and JavaScript featuring MCQ functionality, dynamic score calculation, and interactive navigation.

Personal Portfolio

- A professional **frontend portfolio website** built using HTML, CSS, and JavaScript to showcase my internships, projects, skills, certifications, and achievements.

CodeVision IT Solutions – Project & Resource Analytics (IBM Cognos Analytics)

- Built interactive reports, dashboards, and data visualizations in IBM Cognos Analytics to track project health, cost overruns, and employee attrition, presenting insights via a Cognos Story for leadership review.

PROFESSIONAL COURSES

Python FullStack Development

Genius Computer Education & Software's, Marthandam

08/2025 – Present

TECHNICAL SKILLS

- **Languages & Core:** Python, JavaScript, HTML5, CSS3
- **Frameworks & Libraries:** Node.js, Express.js, React, MongoDB
- **Databases & Tools:** MySQL, Git, GitHub
- **Analytics:** IBM Cognos Analytics
- **Familiar with:** Agile Methodology, DevOps Practices
